

Artificial Intelligence in New Zealand 2018

New Zealand has a thriving AI industry working with AI technologies at all levels. This ecosystem map - based upon ongoing AI Forum research - shows who's investing in, working with and thinking about Artificial Intelligence in New Zealand in 2018.

Things are moving very rapidly and we know this map will constantly evolve - if you've got a suggested addition, please let us know at mapping@aiforum.org.nz and we'll publish regular updates.
